CW lawn in Leamington. (New To County). Sequenced.

Cuphophyllus colemannianus. **Tosted waxcap.** WFG. Burton Dassett Hills.
3/11/24. (New To County). ID by Di Napier.

Entoloma sericeoides. WFG. Burton Dasset Hills. 3/11/24.
(New To County). ID by Di Napier.

Mycena alba. WFG. 17/11/24.
Kingsbury Water Park. (New To County). Sequenced.

**How did
we
do
in
2024 vs 2023?

19 vs 21 records**

Q & A

“
Mushrooms grow in damp
places.
That's why they are shaped like
an umbrella.
— *Alphonse Allais*

Alphonse Allais (1854– 1905) was a French writer and humorist.
